ABOUT US

We pride ourselves on the quality of our food, thanks to our Head Chef's carefully curated selection over the years. Our family restaurant underwent a series of structural changes in 2018 to create an exquisite dining space for the people and families of the Earlwood and Bardwell Park area. Our club also extends a warm welcome to visitors from surrounding suburbs.

Our main priority is to ensure your experience with us is a memorable one, while meeting all your requirements for your function. It is our pleasure to welcome you as our guests, and we look forward to organising your occasion and catering to your every need.

Anuj Regmi

Head Chef

Our Head Chef has an abundance of work experience behind his culinary career. Having worked in various establishments for over 10 years, Anuj is committed to delivering the highest quality dishes to our members and guests.

For all events EBP RSL Club holds, Anuj adapts to all of our customer's catering needs and his determination and passion resonate throughout his designed menu. His experience in cooking Italian cuisine has been heavily influenced and inspired by our previous Head Chef and through intensive industry training; Anuj has developed his own culinary style that has impressed all who have experienced his work.
